**ORDER NO. 6345**

**AND NOW**, to-wit, this 13<sup>th</sup> day of January, 2004;

**WHEREAS**, on December 31, 2003, QuantumShift Communications, Inc., f/k/a MVX Communications, LLC ("QuantumShift"), filed an application seeking authority to abandon service within the State of Delaware; and

**WHEREAS**, QuantumShift was granted a Certificate of Public Convenience and Necessity ("CPCN") pursuant to Rule 7 of the PSC "Rules for the Provision of Telecommunications Services", to provide competitive intrastate telecommunications services by PSC Order No. 4775 in PSC Docket No. 98-60 (Apr. 28, 1998). QuantumShift was also granted a CPCN to provide competitive local exchange telecommunications services by PSC Order No. 5405 (Apr. 11, 2000); and

**WHEREAS**, 26 Del. C. § 203A(c)(1) provides that no public utility shall abandon or discontinue, in whole or in part, any business, operations, or services provided under a CPCN or otherwise, which are subject to jurisdiction of the Commission without first having received Commission approval for such abandonment or discontinuance; and

**WHEREAS**, QuantumShift filed with the Commission a verified application seeking the entry of an Order of the Commission canceling and terminating its two CPCNs; and

**WHEREAS**, QuantumShift has asserted that it has no customers in Delaware and no outstanding liabilities to any Delaware customers in the form of deposits nor prepayments for any of its services; and

**WHEREAS**, the Commission has determined that applications to terminate CPCNs granted to provide competitive intrastate and local exchange telecommunications services should be routinely approved upon the filing of a verified application and that, in a competitive market, such abandonment or discontinuance is presumptively reasonable, necessary, and not unduly disruptive to the present or future public convenience and necessity; now, therefore,

**IT IS ORDERED:**

1. That, upon the express condition that the representations in the verified application of QuantumShift Communications, Inc., f/k/a MVX Communications, LLC, are true and correct, said application to abandon the provision of competitive intrastate telecommunications services and competitive local exchange telecommunications services as a public utility filed by QuantumShift Communications, Inc., f/k/a MVX Communications, LLC, is hereby granted and approved effective with the date of this Order.

2. That the Commission reserves the jurisdiction and authority to enter such further Orders in this matter as may be deemed necessary or proper.
